Approval of above selections requested. The following is justification/explanation of the requested action: The Funding Agreement (FA) between NMFS, Florida Department of Transportation (FDOT), and Federal Highway Administration (FHWA), which became effective July 25, 2011, is requesting a compensation increase by \$115,345.					
Article III, Paragraph A, which authorizes reimbursement to NMFS for a five (5) year term, is amended to read "FDOT shall provide reimbursement to NMFS for a total sum not to exceed \$2,137,819.00 ending on July 24, 2018, or a date seven (7) years from the date of this FA or the signature, whichever comes later. This sum is based upon the parties best estimate of the minimum funding required by the NMFS to provide supplemental environmental review services for FDOT projects. The funding amount is acknowledged to be the required funding level and in the event the level of supplemental services needed becomes greater or less, the parties agree in good faith to renegotiate the level of funding and service.					
Appendix C. NMFS Budget, which is the annual allocation and total sum not to exceed is modified to read:					
Annual Costs					
First Year Subtotal:			\$393,117.00		
Second Year Subtotal:			\$394,242.00
