Related Document Review Event(s): Test Event: Internal Testing-D4
Related ETDM Project(s): #14478 - TEST PROJECT 2: Turnpike ETAT Review

1) **Search for an Event** – Enter the appropriate search criteria and click the *Search* button.

2) **Search Results** – In the search results table, click the event name. The *Document Review and Responses* report will open in a new tab.

3) **View the Report** – Scroll the page to review the information. The report contains the Event Details (includes links to Related Document Review Events/Related ETDM Projects) and Documents, Agency Reviewers and Support Staff, Responders, Review Confirmation Recipients, and the Document Reviews and Responses.

4) **Generate PDF** – Click the blue PDF icon in the upper right of the EST to generate a PDF of the report.
